

WHY BECOME AN AFFILIATE ARTIST !

On behalf of the entire Empty Vessel team I want to thank you for your interest in becoming an Affiliate Artist advocating for the Music Matters Project. As you know this program gives at-risk youth music education, appreciation and intervention.

In the current world of shake and bake artists and manufactured groups, who have a hit and then fade away into obscurity, there is emerging a ground swell of interest for artists and bands who have an appeal for being true to themselves, their lyrics and the world around them. Those few who want to have an IMPACT.

Partnering with EV Music also has its benefits:

You audience will no longer see you as simply entertainment but, as someone who cares to make a difference and is willing to allow them in on it.

2. Find a Deeper Purpose for your Music

The goal of all musical artist is their music will have a deep impact on those who listen and enjoy it. By partnering with us you have gone even further by taking your innate ability to communicate emotions, situations and circumstances and advocate the need for at risk youth to have equal access to music and the benefits that come along with it.

3. Broaden Your Fan Base

By partnering with us you will broaden your base support. When your fans and fans-to-be understand you advocate music education, appreciation and intervention for at risk youth they want to be on board with what you are doing. They appreciate your music even more because they know the impact goes beyond what they hear and you walk the walk.
